## Summary

Hello There! # Its Me Manan. I am an expert who has 1 years of practical experience in all the areas of editorial and graphic design.

I can convert logos and images to vector/tracing/vectorized/redraw or edit them, remove or add background/object in images and photos, correction or change colors and size, align image/photo/object, etc.

I'm doing # Graphic Design ✍️ Editorial Design Vector Tracing Image Editing/Retouching.

I work in programs: Adobe Illustrator, Adobe Photoshop and Adobe XD

Test me if you are not enough of my works and the facts described above!

I work on the conscience!

My personal qualities:

- I do not undertake that I will not pull.
- I do my work diligently and in good faith.
- I am honest, punctual, not greedy, organized, purposeful.
- I try to treat people as I would like, that they treated me.
- I know how to correctly prioritize work.

As a professional, I am ready to advise you and offer you the best solution for any of your tasks, if you are at a loss with a choice designer or writing a technical task.

Feel free to ask me.

My works for your attention below.

Thank you for your time in reading my profile.
